Million Dollar Hole In One Challenge
Cocktail Reception

6:30

Dinner/Awards/Auction

Thank you

for joining us for at our 2008 Annual Golf Outing. We are proud to say that last years event raised almost \$100,000 to support both new and established research investigating the causes, prevention and treatment of breast cancer. All money raised at our event funds outstanding research and researchers in our own community. To date, the Fund has awarded more than 67 research grants totaling in excess of \$3.3 million right here on Long Island. We could not carry on this important work without you.

With Loving Memories of
Patricia Seeberger Gagel

Mission Statement

The Carol M. Baldwin Breast Cancer Research Fund, Inc. will support both new and established researchers at University Hospital and Medical Center at the State University of New York at Stony Brook and other outstanding Academic Institutions investigating the causes, prevention and treatment of breast cancer.

This research will include-but not be limited to-studies of the genetic, molecular, cellular and environmental factors involved in the development and progression of breast cancer; application of the knowledge thus gained to educate medical professionals and increase public awareness for the prevention, detection and treatment of breast cancer; and studies of the outcomes of breast cancer detection and treatment on the patient, their families and society.
